

ZIBO JINGGAN REFRACTORY IMPORT AND EXPORT CO.,LTD

Address:NO. 3, Yanhe Road, Boshan, Zibo, Shandong, China
Email:wp@cnjingganrefractory.com/sdwenping@163.com
Contact:Rose Tel/Wechat:+86-13275332819
Tel:86-533-4188518 Fax:86-533-4188518

Thermal Insulation Foam Glass Board

1, Main product parameters

ITEM	UNIT	TECHNICAL INDEX
B.D	Kg/m ³	160-220
Thermal conductivity	w/m.k	≤0.058
Water absorption	%	≤0.2
Moisture permeable properties		No moisture permeable
Fire resistance		Non combustible, flame retardant
Compressive strength	Mpa	≥0.7
Flexural strength	Mpa	≥0.5
Corrosiveness		Resistant to corrosion and mildew
Acid resistance		Resistant to all kinds of acids (except hydrofluoric acid)

2, Brief introduction: the main material of the product is broken glass, foaming agent and modified additive, which are finely crushed and evenly mixed, then produced by high temperature melting, foaming and annealing process. The product is composed of a large number of uniform bubble structures with a diameter of 1-2mm. The closed hole bubble of the heat insulation product is more than 75%. It has remarkable heat insulation and cold insulation effect, is non combustible, non-toxic, tasteless, and is an excellent energy-saving and environmental protection product.

3, Notable features:

1) The thermal conductivity is very small, less than or equal to 0.058 w/m.k, and the thermal insulation performance is excellent and stable

ZIBO JINGGAN REFRACTORY IMPORT AND EXPORT CO.,LTD

- 2) Corrosion resistance, good acid resistance, except hydrofluoric acid
- 3) Excellent weather resistance, available at - 160-400 °C
- 4) Good flame retardant, non combustible
- 5) Non toxic, tasteless and environmentally friendly
- 4, Application fields: building wall, low temperature pipeline, container, storage room equipment, heating pipeline and equipment, hot oil, asphalt tank
- 5, Common specification: 600*600*40mm, 600*300*30mm, 200*150*20mm, Production according to user requirements.
- 6, Packaging: inner plastic bag, waterproof carton packaging
- 7, Good feedback of product use effect, the products have been exported to South Korea, Russia, Pakistan
- 8, We are a professional supplier, who can provide customers with free product technology, use and other issues

Do you want to find a professional supplier of refractory products?

Do you want to find a professional supplier of graphite electrodes?

Do you want to find a stable and credible supplier?

Then let's contact with jinggan company
